MACS Badges

Some of our children have begun working towards earning MACS badges. Currently the badges some of the children are working towards are:

New Skills

1. The children learned how to make carrot cake✓
2. The children will learn how to make emoji pillows using needle and thread
3. The children will take part in a risk assessment

Nature

1. The children will plant bulbs in the school flower boxes✓
2. The children will paint bird houses to be hung in the school field
3. The children will take part in a weather forecast in front of an audience

We will also be introducing a sport badge and details will be made available soon.

Outdoor Play

We are aiming to take the children to the field more often as the nicer weather approaches. With this in mind, we ask that children bring in appropriate outdoor clothing, for example wellies, as the field can still be quite muddy. If you would prefer your child to **not** play outside, please speak to a member of staff so we are aware.

Authorised Collectors

Please note only authorised collectors will be allowed to collect your child from MACS, and they must know the password. If someone is collecting your child who is not an authorised collector, please contact the project to make us aware of this. They will be asked to show proof of identity if they are unknown to MACS staff. Please also note collectors must be **aged 16 or over** at all times. Staff will only feedback about a child's day or provide any other information, to authorised collectors.
