

Kirkhill Newsletter October 2014

Kirkhill team: - Linda, Claire, Lyn, Susan, Peggie, Linsey, Carmen, Kirsten, Robert and Kirsty who joins us from St. Cadoc's.

Again, this year we will continue to look for new and innovative ways for both children and parents to give us feedback and ideas. If you have any ideas or suggestions, please feel free to write them on the white board or chat to our staff. Please also visit our facebook page to keep up-to-date with life at MACS.

Reminders

Breakfast Club: Breakfast is served until 8.30, for hot toast due to health and safety reasons. Weather permitting primary 4 plus children, providing they have permission, are allowed to go into the playground between 8.30-8.40 (permission forms are available at the front desk).

Homework: We will offer children the opportunity to do any homework they may have on a Monday. However, as we are a child led play environment we can only encourage them as ultimately it is their choice.

Updates: We will be asking parents to confirm their details over the next few weeks to ensure all our records are up to date. I would ask that you are patient with us during this time.

Coming Soon; The next few weeks will see the children establish this year's committees, eco, planning and events and news team. If your child is interested in joining these committees they can do so by speaking to Carmen, Peggie or Kirsten.

The children have been working hard to create "floor books" which provide an idea of what they are doing at MACS. Please feel free to browse through them and the other information on our parents table situated beside the sign out desk.

Our annual coffee, cake and chat will be on Friday 3rd October. In consultation with the children this will be part of the McMillan coffee charity events, from 4-6pm. Please come along to have a cuppa and chat with staff and each other whilst raising money for charity. The children are all very excited and will be working hard to make this event a nice way to start the weekend.
