

## **MACS** Carolside Newsletter June 2015

### **STAFF**

Manager: Frances Malloy      Deputes: Nosheen Sajid & Carly Dunn

Play carers: Mel, Shannon, Paula, Melissa, Eilidh, Charlene, Fraser, Gill, Lauren, Andrea & Yvonne.

We would like to take the opportunity to welcome Carly to our team. Carly has worked at MACS for nine years and last year was promoted to a depute manager position.

### **HOLIDAY DATES IN JUNE**

**WEDNESDAY 24th school closes 1.00pm. MACS will collect at this time and we will be CLOSING 5pm.** This will enable staff to help set up for the following day in the holiday club at St Joseph's. This service does not provide meals, so could you please ensure your child has a packed lunch with cool pack included and ensure there are no items containing nuts e.g. Nutella, Snickers etc. or any kiwi fruit as we have children with serious allergies.

### **Allergies**

If you child has any allergies please ensure we have the correct information regarding protocol for your child's care. Forms are available online or from the manager.

If at any time your child needs medical care e.g. Calpol etc. please be aware that medical forms must be completed. You can either download these in advance from our website or complete the form at the project. However this does take time and you must allow for this when completing forms at the project.

## **PRIMARY 7 LEAVERS**

We would like to wish all our P7's all the very best for their future and hope they prosper well in their choices. All will be receiving a voucher as a leaving gift from MACS.

## **Activities for fun week**

The staff have put a planner together for the children to enjoy on the second last week of term. We will also include a water fight, weather permitting of course, and we hope the weather will be fabulous, but be prepared for a change of clothes if possible.

Barbeques, sports, party and games day will all be advertised on the board for all to see.

We have piloted a new idea this year with the P1 & P2's. They have documented some of their activities in their own special books. We would like to try to continue with this as they progress to the next level through their time at MACS. These will be available for the parents' to view at their request within the project at any time.

**Contact Numbers:** Clubs have resumed so please, please remember to let us know if your child is sent home from school ill or has started a club. It saves us valuable time. Thank you.
