## MACS St Joseph's December Newsletter 2015

At MACS we strive to improve your child's experience at the out of school, and we hope that your children are enjoying the activities and workshops that have been implemented in the project since August.

As you have noticed winter is approaching fast and the nights are getting darker earlier, so Time for outdoor activities is becoming limited, however please ensure your child is dressed appropriately as we still may go outside, we will be introducing lots of different fun activities everyday for the children to participate in, children's input has been implemented when planning for these activities.

Christmas fun activities started week beginning Monday 7th December, these activities have been chosen by the children through discussions and mind maps.

Please remember that comments, suggestions and feedback are always welcome at MACS, and there is a suggestion box on the parent and children's information table. Please feel free to use this.

The school closes at 2.30pm on Tuesday 22nd December and MACS will be running from 2.30pm until 6.00pm on this date.

The MACS holiday club will be running from St Joseph's on Wednesday 23rd December and Tuesday 5th January. December 24th, 29th 30th and 31st Holiday club will operate from Kirkhill Primary School. Please remember Holiday club will close at 4PM on 24th and 31st December. Schools go back on Wednesday 6th January.
