The older group enjoyed their coffee shop trip, always a success and we will be offering another group the opportunity to out soon. Once again you will be advised if your child is going and permission will be sought.

### **Allergies**

You will also find an allergen leaflet at the front desk. If your child has any allergies and we are not aware of it, please update us and we will add it to your child's care plan.

After the success of the previous visit from Josh, a member of the Kinetics Team, we have arranged another visit on 1<sup>st</sup> April 2015.
