### Latest Project News

The dark nights are now in, but we still aim to take the children out as often as possible. We have torches which the children have been using to explore the playground; it's amazing how different things can look in the dark!

The children have been taking parts in lots of different activities. They have been cooking soup and macaroni cheese, baking bread and minion cakes, creating panda bears and picture frames as well as taking part in games in the gym hall and the ICT suite.

Our Guess the Teddy Bears Birthday was a great success again this year and we raised a fantastic £62! Thank you to everyone who donated this year. The lucky winner was Olivia J P2.

### The Cold Snap Approaches

As we now come into the colder months, we still plan on taking the children out on a regular basis. This allows the children to play in all weathers as well as in the dark. With this in mind, can you please ensure your child has appropriate clothing so they can take part in outdoor play. This should include weather appropriate jackets, gloves, hat etc.

### Personal Journals

In the next few weeks a member of staff will speak with you regarding your Child's Personal Journal. These journals help us gauge a good understanding of what your child is enjoying at MACS and what they think we can improve on.

The journals also give you an opportunity to see the developments your child is making. We ask that these be signed to confirm you have been shown them and any questions you have relating to the journals are answered.

Our MACS Christmas Party will take place on Wednesday 14<sup>th</sup> December. We will have lots of party food as well as lots of festive party games for the children to take part in.

### Christmas Hamper

As we have done for the last few years, we will be putting together a Christmas Hamper which we will raffle off. The money raised will be given to a charity which the children will choose. If you can donate an item for the hamper it would be greatly appreciated.
