

MACS BUSBY NOVEMBER

NEWSLETTER 2014

Project Manager - Liz Peters

Our Staff – Janice, Mark, Arlene & Amy

Breakfast Update

Our breakfast club operates from 7.45am until 9am. We offer a wide range of cereals, bagels, waffles, toast, yogurts, fruit juices and much more. We can offer a hot breakfast until 8.30am, this is to give us time to let the toasters cool down.

Planning/Keeping Parents Information

The Children have been making good use of our new tents which they all line up to use! We have a cheeky monkey and a loving ladybird and both are proving very popular. We have also recently updated our message board which gives you all the week's information. It will include activities which the children will take part in and also what snack will be each day, as well as any other important information which will be of importance to you or your child. You will also receive our monthly planner in an email format.

Project Information

We had an excellent brainstorming session with the children about what activities they would like to do in November. They all came up with some amazing ideas and we have implemented as many as possible into our November activity plan. We also have a meeting with the children about raising money for Children in Need and the children were all in agreement that a Cake and Candy sale always raises the most money. We will be having our Cake and Candy sale on Thursday 20th. We would love if some parents could make a donation to the Cake and Candy to ensure we have lots available to sell on the day and raise some more fantastic funds for Children in Need. Some of the children from P5-P7 will be taking part in the Music Workshop again this year, which proved a big success last year in letting the Children learn about music production and song writing.

Snacks

We will be having a brainstorming session with the children to find out what kind of snacks they would like. We are looking into bringing in more hot snacks as the colder

weather comes in. If Parents have any suggestions on a snack they think the children would find healthy and tasty, please speak to a member of staff.

Child Absent from MACS

Please remember to contact us if you know your child will not be attending MACS. If your child is not attending MACS because they were sent home from school, are off school, going to a friends or are not attending for any other reason, it is vital you let us know as soon as possible. We would also be grateful if you could inform us if someone other than a registered collector is picking up your children and make sure they are aware of the password. Please also note, collectors must to be **AT LEAST** 16 years of age.

Holiday Club

If you are interested in using our holiday service over the Christmas and New Year period (Dec/Jan) and at present do **NOT** have a holiday contract, please contact head office (number below) for a holiday form.
