October

October is such a fun month! Here are some of the things we have done.

MOONDAY CELEBRATION

Moonday is a Chinese celebration, to celebrate we made Chinese lanterns.

ROAD SAFETY

Primary 6 and up children to part in a road safety awareness work shop and chequered flag held the workshop for us. We would like to give a big thank you to MR Fotheringham. All the children really enjoyed it!

MR Fotheringham came in to show us the impact of crossing the road and when texting, wearing headphones or doing anything distracting whilst crossing the road. He also reminded us about the **GREEN CROSS CODE**. He let the children try on beer goggles which gave us impaired vision and all the children thought it was great fun but also made them realise the dangers of road safety.

READY STEADY SCARE

We all took part in Ready Steady Scare. All the children had lots of different ingredients and had a competition to see who could make the scariest cakes. There were three Prize winners.
