

Cross Arthurlie Newsletter June 2017

Recent Workshop

Over the past few weeks we have conducted a workshop with children discussing the importance of diversity and respecting each other. A copy of this is available on our notice board for all parents to have a look at. At MACS we are always working with children to build positive relationships with each other and become tolerant to the needs of others.

Primary Seven Children Leaving

As you will be aware, we are fast approaching the end of term and will be saying goodbye to some of our primary sevens who are ready to embark on their journey onto high school. We would like to take this opportunity to wish them luck and success and also thank them for their time at MACS.

Good luck to all primary seven children and also to their parents.

June Activities

The children at Cross Arthurlie have chosen a circus theme for this month and this includes lots of fun activities such as face painting, learning circus skills and a “Soak the MACS Staff Member” (I wonder who the children will choose to soak!). Photographs of all this fun will follow soon.

Important Numbers

As most of you are probably aware by now, Claire who was the manager at Cross Arthurlie has now moved on to manage the service at Carlibar, although she will still be managing breakfast club at Cross Arthurlie. Summer Holidays

The summer holidays are now only a few weeks away, and the last day of term is Tuesday 27th June. Please note that on this day the school will be closing early and MACS will collect your children early, however we will also be closing early, at 5pm to allow setting up of our summer holiday clubs, so please ensure you collect your child/ren no later than 5pm.

Our summer holiday clubs will be operating from St Joseph's and St Cadoc's Primary Schools and if you require care then please contact our Head Office to check availability.

The new school term starts on Wednesday 16th August and I hope you all have a safe and enjoyable break over the summer and look forward to seeing you all when the holidays are over.
