NEW MACS LEADER by Keir

Amy is our new MACS leader. She is good at arty things and is very cool to talk to. She knows about a lot of things and listens to us.

SNACKS by Ross

We need new ideas for snack time so we can have yummy food. MACS leaders are going to ask everyone what they would like, so let's get our thinking caps on and come up with some tasty treats!

CAKE AND CANDY by Katie

Guess what? We're doing our Cake & Candy sale again! You know what that means? Cakes, lots of cakes! Sweets, lots of sweets! Money, lots of money! All for Children in Need.

COLOURING IN SHEETS AND PENS by Sophie

Remember when you go looking for a red pen for ages because you can't find one. Or a green pen? Or a blue pen? It gets annoying, that's why we need to make sure we put the lids back on a pen once we are finished with it and put it back into the pen box. Also the colouring in sheets are getting ruined cause sometimes we only colour in a teeny tiny bit then put it back in the folder and nobody wants to finish it, so we need to make sure before we start a picture that we really want to colour it in.

TENTS by Ryan

Our tents are a good place to chill out away from all the noise sometimes. They also make really good houses.
