Welcome to our Christmas newsletter. The News Team will be bringing you a monthly update of all the exciting events that we have been taking part in together with giving you information about our up and coming events. If you have any suggestions for our newsletters for the News Team please let us know.

The Eco Committee is now up and running, the winter clean-up will take place soon and the new plants and vegetables will be getting planted in time for spring.

CHILDREN IN NEED 2015

Thank you to all the children for your hard work baking for our cake and candy stall. I am sure everyone will agree it was amazing. The ICT was quiet with all the older children and Susan participating in a sponsored silence, some of the parents benefited from this too.

The Story So Far

This month we have gone back to basics with den building, playdough and junk modelling. We have also celebrated St Andrew's day with Haggis pakora and shortbread for snack and St Andrew's flags and cookies.

The children have been signing and dancing with a dance-off between the primary 1-3 and primary 4-5 children who were whipping and Nae Nae-ing with Jason Derulo. You can see a video of some of the breakfast children doing this on the Kirkhill web page.

We have also set up a Christmas choir and the children have been out Carol singing and spreading Christmas cheer in Green Law Grove nursing home. Thank you to all the children who took part in this event.
